- **General Meeting:**
1. YAB Meeting – Next YAB meeting will take place in November 2018 – location/date/time to be determined.
 2. YAB Applications – The process will include Erin Coss from HL to create a link for students to sign up for YAB via a simple application. PEACE collaborative prevention committee will convene to review potential applicants for consideration. All members are welcomed to review the applications if they would like to be a part of the process.
 3. PEACE Collaborative Evaluation Implementation and Evaluation of PEACE Coordinator – As part of our PEACE strategic plan we indicate an annual evaluation. The group will need to think of relevant questions for the survey/evaluation. As part of the discussion members indicated a Likert Scale may be best to gather information in a google form. Members discussed potential prevention questions for survey as well topic areas to focus on. The discussion will continue and survey/evaluation will be implemented by the end of 2018. Information will be collected in January and reported in February.
 4. PEACE Prevention Calendar – The group indicated a need for a calendar to be housed on the PEACE website to indicate prevention activities occurring. Amy is going to work with Kristen Beal, new part-time VPE at HelpLine to create/implement calendar. Kristen has proficient skills in IT and can possibly help set-up/update calendar as needed. Kristen will be at our next PEACE meeting to help garner ideas from the group.
